

# Christmas Light Scavenger Hunt

## Rules of the Hunt

Score one point per item found, unless noted.

You can only use a house once to check off one item on your list.  
(if a house has a Grinch, R2D2 & a Nutcracker, you can only choose one to check off your list).

## Choose a style of the Hunt

- A leisurely drive with every one working off the same list or
  - A fun friendly family competition; front seat vs back seat or boys vs girls, kids vs. parents, etc. or
  - All out holiday mayhem – Winner Take All! Each person in the car gets a list, first person to find them all wins! Winner usually gets to pick where to go for ice cream or hot chocolate, but the possibilities are endless!
